I. Abstract

This request is for a renewal of a currently approved information collection.

The Consolidated Appropriations Act of 2004 (Public Law 108-199) was signed into law on January 23, 2004. Section 803 of this law allocates the Aleutian Islands (AI) directed pollock fishery to the Aleut Corporation for economic development of Adak, Alaska. The statute permits the Aleut Corporation to authorize one or more agents for activities necessary for conducting the AI directed pollock fishery. Management provisions for the AI directed pollock fishery include: restrictions on the harvest specifications for the AI directed pollock fishery; provisions for fishery monitoring; reporting requirements; and an AI Chinook salmon prohibited species catch limit that, when reached, would close the existing Chinook salmon savings areas in the AI.

II. Method of Collection

Participants are identified and approved through a letter from the Aleut Corporation which is approved by National Marine Fisheries Service (NMFS). This letter includes a list of approved participants. A copy of the letter must be on each participating vessel.
